

Nittany Lights

Lighting Workshop - 2018

Friday, October 5th

7:00 pm – Lecture – Stuckeman Family Building (architecture building) in the Jury Space on the first floor. (Sign-in table open at 6:30pm)

Saturday, October 6th

8:30 am – Donuts, Bagels, Coffee, and OJ served for workshop participants outside the Engineering Units

9:00 am – Overview of the event, available equipment, etc. Divide into six teams. Teams will go to their areas, and begin working on a schematic concept.

10:00 am – Everyone back to Engineering Units for selection of fixtures via a round robin process. Immediately following the teams shall take their equipment back to their areas.

12:00 pm – Break for lunch, served adjacent to the Engineering Units. Teams are encouraged to stop work and talk with one another during this period.

1:00 pm – Mad rush to complete mock-ups.

4:30 pm – All work must be completed, put down equipment, return all unused equipment, tools, materials, etc. Break to get cleaned up and ready for dinner. Table top product displays by sponsors' will be happening in the Atherton Hotel starting at 5:00pm.

5:45 pm – Dinner will be served at the Atherton Hotel. Sponsor table top displays available. No one may leave the dinner early!

7:30 pm – Site tour of mock-ups with team presentations

Sunday, October 7th

9:00 am – Clean-up and package all fixtures and equipment for shipping. We will again meet the Engineering. Breakfast will be provided.
